

HILLSIDE DISC GOLF ODORHEIU-SECUIESC

7-9 AUGUST

2026

TRANSYLVANIA OPEN

PLAYER BRIEFING

Hillside Disc Golf · Odorheiu-Secuiesc · 7–9 August

PACE & ORDER

Quick and tidy beat rushed and sloppy:

- **Use your mini** — this is a PDGA event. Mark, then throw.
- **Tees vary — the tee line doesn't.** Two concrete blocks: the line runs along their front edge — stop in front of them, never step over. A mat: don't go outside it. A plastic band: that band **is** the line. Wherever you tee, release the disc from behind the line.
- **30 seconds** to throw once it's your turn and the lane is clear. Decide while others play.
- **Farthest disc throws first.** Never walk ahead of the away player.
- **No rage throws.** An undeclared re-throw is a practice throw: **+1**. A declared re-throw (abandoned throw) also costs **+1** — so breathe first, decide second.
- **Make the call.** Foot faults and illegal stances get called politely, immediately, every time — and need a second from the group to stand. Accept calls the same way you'd make them.
- **Keep it moving:** score before the next tee, tee off when the group ahead is out of range, wave the group behind through if a search drags.

CONDUCT — THE COMMON-SENSE STUFF

- **No alcohol, no drugs** from the start signal until your signed scorecard is turned in. PDGA rule, disqualification territory — celebrate **after** the round.
- **Be nice.** No yelling, cursing, or throwing anything that isn't a disc. Frustration happens — breathe, don't perform it.
- **Help people.** Newer players on your card get patience: help with counting, rulings, and finding lines. Teach, don't lecture.
- **Respect the course.** No littering — cigarette butts count. Don't snap branches, even while searching a bush; damaging the course is a penalty.
- **Watch for people.** Never throw while anyone is in range — spectators, walkers, the group ahead. If a disc flies at someone, shout **"FORE!"**
- **Phones on silent. Playing music is not allowed** during the round.
- **Scoring is digital and mandatory on every card** — see **SCORING** on the next page.
- **Win humbly, lose gracefully** — act like a gentleman.

IF YOU HEAR THE HORN

- **3 blasts = STOP immediately.** Not one more putt.
- **Mark your lie** with a stick or stone, then head to **SHELTER or the CAR.**
- We pause **at least 30 minutes.** Restart: **2 short blasts** = two minutes to walk back, **1 long blast** = play on from your marked lie. Your score so far counts.
- Throwing after the horn — or quitting before it — costs **2 penalty throws.**
- **Heat:** water refills at the **Safari Tent.** Drink at every tee, use the shade. Feeling unwell? Tell your card and stop — health first, scorecards second.

BUSHES, SEARCHES & OB

The nasty bushes are **OB** — the red hashed zones on each hole sign.

- **OB is not “lost.”** If your card agrees the disc is in an OB zone, you don’t need to find it: **+1, mark up to 1 m in-bounds from where it crossed, play on.**
- **In-bounds searches last 3 minutes,** timed from when the group reaches the area — someone starts the clock out loud. Not found: **+1, re-throw from the previous lie.**
- **The whole card searches.** It’s a courtesy violation to stand and watch. Best prevention: watch every throw land.
- **Stuck in a playable bush?** You always have two outs, both +1: move your lie **straight back on the line of play, or re-throw from the same spot** (declare it first).
- Found after the 3 minutes? The ruling stands — but you keep the disc. **Name and phone number on your plastic.**

SCORING

- **Every card keeps score twice, live: three players** score the card on **PDGA Live**, and **one player** scores it on **uDisc.** Decide who does what on the first tee, before anyone throws.
- **Call scores out loud after every hole** and enter them before leaving for the next tee — that's how the two apps stay in agreement.
- **Submit both right after the round.** Late or wrong scores cost strokes **for every player on the card.**

THE THREE ANSWERS TO ALMOST EVERYTHING

Horn? Mark your lie, take shelter. · **Marked bush?** +1, a meter in, play on — no search. · **Unsure of a ruling?** Play it both ways as a provisional, sort it out at Tournament Central.

The logo of the Romanian Golf Federation (FRM) is a circular emblem. It features a stylized golfer in mid-swing, colored in blue and yellow, set against a background of a rising sun or a mountain peak in shades of orange and red. The text "ROMANIA DISC GOLF ROMANIA" is written in a circular path around the central graphic.
